Under the Telix NED Rights Plan Rules - Australia, NEDs may sacrifice some of their pre-tax base fees for Share Rights. A Share Right entitles a NED to receive one Telix share. The number of Share Rights granted is equivalent to the fees sacrificed divided by the VWAP of Telix shares traded on ASX over the twenty day period commencing immediately after the release of the FY or HY results prior to the relevant grant date. No performance conditions apply to Share Rights. Share Rights are not transferable and carry no dividend or voting rights. Vesting may occur from the subsequent FY or HY results. As this is a fee sacrifice plan, no amount is payable on vesting. Following vesting, an equivalent number of Telix shares will be allocated and subject to a nominated restriction period, during which time they are non-transferrable but carry dividend and voting entitlements. Unless otherwise approved by shareholders, this allocation will be satisfied by Telix shares purchased on-market.
